Where the Crawdads Sing

Where the Crawdads Sing is a 2018 coming-of-age murder mystery novel by American zoologist Delia Owens. The story follows two timelines that slowly intertwine. The first timeline describes the life and adventures of a young girl named Kya as she grows up isolated in the marshes of North Carolina. The second timeline follows an investigation into the apparent murder of Chase Andrews, a local celebrity of Barkley Cove, a fictional coastal town of North Carolina.

Fiction

The Handmaid's Tale

In the Republic of Gilead, far-right ideals have been carried to extremes in the monotheocratic government. Women are strictly controlled, unable to have jobs or money and assigned to various classes. The tale is told by Offred, a Handmaid who recalls the past and tells how the chilling society came to be.
